Artwork placed inside the trim tolerance area will NOT warrant a reprint of your order.

ORDERING CLEAR OR METALLIZED?

Clear and metallized films may need a layer of white ink under your artwork.  
Turn on the "Premium White" layer to see instructions for setting up your white layer.

QUANTITY TOLERANCES

Our production can vary ±10% of the quantity you order. We recommend padding your order to account for this.  
If we ship less than your desired final quantity, a credit will be issued to your customer account.  
If we ship more than your desired final quantity, the surplus is free of charge.
